- A. TA99-00009 (Ord. #s to be determined) UTILITY UNDERGROUNDING TEXT AMENDMENT
(Continued from September 8, 1999)

This City-initiated proposal would, if approved, amend the Development Code to allow the collection of "in-lieu" fees as an alternative to placing utilities underground as currently required by the Development Code. The proposed text amendment would add a new section to Chapter 60 and amend several sections within Chapter 40 of the Development Code. Additional amendments to Ord. 2050 text may be necessary in order to assure internal consistency with the proposed text amendments.
